

I really believe in the process of referrals, and so part of the service I provide is to be sure to refer my clients and associates to other qualified businesspeople in the community.

Below is a list of areas in which I know very credible, ethical, and outstanding professionals. If you're looking for a professional in a specific area that I've listed, please feel free to contact me. I will be glad to put you in touch with the people I know who provide these services.

Kind regards

James R. McBrearty
